

Youth Parents – looking for a way to be more involved with the youth group?

Please take a moment to complete this form and let us know what you'd like to do.

There are many volunteer opportunities available throughout the year. Please note that all adults who work with children and/or youth activities must complete the CAPPS training program, which is offered by the church several times per year. This involves a background check as well.

Thank you for all of your help. The youth group ministry will continue to be successful with your assistance.
